In astrology, those born between July 1-22 are Cancer’s Crabs. Kind and protective, Crabs love to nurture others. While they may be emotional, they are never soft. Cancers are tenacious in their pursuit of harmony at home and in the workplace. Those born between July 23-31 are Leo’s Lions. Lions are the “kings” of the zodiac: dramatic, ambitious, confident, and hard to resist. Leos are also generous and loyal, putting family and friends first.

Dan Aykroyd – July 1, 1952
Tom Cruise – July 3, 1962
Neil Simon – July 4, 1927
Jerry Vale – July 8, 1930
Giorgetto Armani – July 11, 1934
Linda Ronstadt – July 15, 1946
James Caan – July 17, 1940
Sir Edmund Hillary – July 20, 1919
Pee Wee Reese – July 23, 1918
Amelia Earhart – July 24, 1987
Estelle Getty – July 25, 1923
Jim Davis – July 28, 1945
Arnold Schwarzenegger – July 30, 1947

July

It’s the ultimate event for any fan of comics and entertainment, costume parties and celebrity sightings: July 19–23 is 2017’s Comic-Con International. This fan convention is the biggest of its kind in the world, and in many ways the fans provide the biggest show. People are encouraged to show up wearing elaborate costumes of their favorite comic book, television, film, or book characters. You’ll likely see the Incredible Hulk mingling with Jedi Knights, Harry Potter, and characters from the sitcom The Big Bang Theory. This eclectic mix is Comic-Con’s signature achievement, bringing fans of all ages and interests together to “geek out” over their favorite popular entertainment.

Self-described “geeks” have been flocking to San Diego for Comic-Con since 1970, when Shel Dorf, Richard Al, Ken Kuebler, Marvin Nelson, Mike Towny, Barry Alphonso, Bob Sourk, and Greg Bear founded the Golden State Comic Book Convention. The original event drew only 300 people, but it was a mecca for all things comic related. Over the years, the scope of the production grew along with the size of the convention crowds. While comic books still take center stage, the convention also features science fiction and fantasy film and television, video games, collectible card games, and cartoons. The spectacle of the convention now draws crowds as large as 167,000.

Attendees don’t just come to admire each other’s costumes; they attend seminars and panels featuring their favorite writers and artists. Comic book professionals offer hands-on workshops. Scholars present critical studies of the effect of comics on culture. Video game and entertainment companies show sneak previews of upcoming projects, often accompanied by big-name celebrities. Evenings feature awards ceremonies and a masquerade ball. For anyone interested in comic culture, Comic-Con is the event of the year, where attendees go “to see and be seen” in the fantastic getups of their favorite characters.
